VOLUNTEER CONTRACT

I, _____, agree to volunteer for
the week(s) of _____.

In doing so, I am committing myself to serve the
camp and the campers first and foremost.

This means that I will follow the instruc-
tions given to me by the day camps staff. Also, I
recognize that day camps are a ministry of the
church and that I should act accordingly as a
representative of the church. It is important to
remember that most of these kids are their par-
ents probably do not have much experience with-
in the church, which makes being an example of
Christ even more important.

I also recognize that this job is social in
nature, and that there are times when I will hang
out with friends. However, I am committing to
spend the majority of my time working and serv-
ing the day camp participants, and not the leaders
or other volunteers.

I agree to arrive at **8:15 am** on Mondays,
8:30 am the rest of the week and leave no earlier
than **3:15pm**, ready to help set up and clean up as
necessary.

I agree to maintain appropriate behaviour,
conversation, and clothing in order to be a good
example to the kids and parents. I realize that I
am here to serve, and not to be served. Finally, I
agree to work hard, have fun, and make the best
of this opportunity. I realize that the staff reserve
the right to reject my services as a volunteer if my
conduct does not meet the expectations of the
Day Camps Staff.
